**Subject: Announcement of 2022 RCA-KINGS (KEPCO INTERNATIONAL NUCLEAR GRADUATE SCHOOL) Master's Degree Programme**

Dear National RCA Representatives,

It is my great honor and pleasure to announce that the RCA-KINGS Master's Degree Programme for 2022 is now open for application to the Government Parties.

This programme, conducted in cooperation with KEPCO International Nuclear Graduate School(KINGS), aims to foster global-level energy policy decision-makers and executives of the RCA Government Parties. The RCA-KINGS Master's Degree Programme of the Department of Energy Policy and Engineering operates a two-year programme: the energy policy and engineering courses in the first year at KINGS, and the thesis/individual project report research programme at the student's affiliated institution in the second year. Students can acquire a Master of Engineering(ME) or Master of Science(MS) from KINGS.

It is encouraged that applicants send all required documents including a letter of recommendation (downloadable at [www.rcaro.org](http://www.rcaro.org)) from respective National RCA Representative to KINGS **by 30 November 2021**. Please refer to the enclosed guideline for detailed information.

Taking this opportunity, I would like to express my sincere gratitude to you for your cooperation for the programme.

Attached:

1. Guideline of 2022 RCA- KINGS Master's Degree Programme
2. Letter of recommendation form

Sincerely Yours,

Pill-Hwan Park  
Director  
RCA Regional Office
