Subject : Announcement of 2022 RCA/KAERI Radiation Technology Training Programme

Dear National RCA Representatives,

I am pleased to inform you that the 2022 RCA/KAERI Radiation Technology Training Programme will be held from 22 August to 2 September 2022 via the E-learning platform, and is now open for nominations to the Government Parties.

This training programme, conducted in cooperation with Korea Atomic Energy Research Institute (KAERI), aims to introduce technical and practical knowledge regarding radiation policy & safety, neutron beam application, radiation technology and its applications, effective public communication etc. to the RCA GPs. Please find the attached prospectus for your kind reference.

Upon receiving nominations from National RCA Representatives, four or five participants from each GP will be selected based on their capability to utilize the knowledge gained from the training programme.

It is strongly encouraged that NRs nominate all potential applicants online to participate in this programme with completed nomination forms **no later than 29 July 2022** to the **RCA Regional Office E-Management service(ROEM)** platform(<http://www.rcaro.org/roem>). The nomination form is also downloadable at ROEM.

Please refer to the enclosed prospectus or kindly visit the ROEM platform for detailed information.

I look forward to receiving your nominations.
