July 6, 2015

National RCA Representatives:

Bangladesh, Cambodia, China, Fiji, India, Indonesia, Laos, Malaysia, Mongolia, Myanmar, Nepal, Palau, Pakistan, Philippines, Sri Lanka, Thailand, Vietnam

**Subject : Announcement of 2015 RCARO/KAERI Regional Workshop on Radiation Technology and its Applications**

Dear National RCA Representatives,

It is my honour to announce that the 2015 RCARO/KAERI Regional Workshop on Radiation Technology and its Applications will be held on 12-23 October 2015 in Daejeon, Republic of Korea, and is now open for nominations to the Government Parties.

This workshop, conducted in cooperation with Korea Atomic Energy Research Institute (KAERI), aims to introduce technical and practical knowledge regarding radiation application technology to the RCA GPs.

Upon receiving nominations from National RCA Representatives, one or two participants from each GP will be selected based on their capability to utilize the knowledge gained from the workshop. In this respect, it is cordially requested that you send us the list of nominees in a priority order.

Given the time constraints for logistic arrangements, it is strongly encouraged that you send us the completed application form no later than **August 14, 2015** to the RCARO by e-mail at [keshon@rcaro.org](mailto:keshon@rcaro.org) or by fax +82 42 864 1626.

The RCARO will provide the participants with necessary expenses for their stay in Korea during the workshop. Please refer to the enclosed prospectus and the RCARO website (<http://www.rcaro.org>) for detailed information.

I look forward to receiving your nominations.

Sincerely,

Kun-Mo CHOI  
Director  
RCA Regional Office
